

# IFAS Workshop Announcement

Thursday April 3  
10:15 - noon

Indian River Research &  
Education Center  
Fort Pierce

Drs. Tom Obreza and Kelly Morgan, editors of the newly released *Nutrition of Florida Citrus Trees, 2<sup>nd</sup> Edition*, will review current fertilizer recommendations and provide a forum for you to ask questions. The new publication builds on the original 1995 publication and adds several new sections. Attendees will receive a free copy of the publication, which is an outstanding reference for citrus growers on citrus nutrition. Dr. Obreza will also discuss the global forces affecting recent fertilizer price escalations and make projections for the future.

A complimentary lunch sponsored by Helena Chemical Company and Diamond R Fertilizer Company will follow the workshop . . . please RSVP to Sharon Lear at 772-462-1660 or email [sl215cew@ufl.edu](mailto:sl215cew@ufl.edu) so we can plan the lunch.

CEUs and CCA credits will be offered for those attending the program.
