**TIME:** Breakfast is at 7:30, the forecast will be announced at 8:30.

**ANNOUNCER:** Gary Cooper - Southeast AgNet

Bob Stallings of Stallings Crop Insurance in conjunction with Pro-Ag and Ray-Bob Groves will host the second annual Citrus Crop Forecast grower's breakfast on Friday, October 12th in Polk County at the Ray-Bob Groves barn in Alturas. Southeast AgNet president Gary Cooper will anchor this year's "live" Citrus Crop Forecast broadcast from the Ray-Bob location, where the Stallings Crop Insurance team promises a delicious complimentary country breakfast for those who attend. Breakfast kicks off at 7:30 a.m. in anticipation of the 8:30 a.m. forecast. Several nice prizes are going to be given away to the individuals that have the closest guess to the actual published crop forecast numbers.

**PLEASE NOTE:** Citrus growers, owners and managers are invited to attend.
